Example supplier NAME

Suppliers are invited to provide a 65 word description of what they do. As we use this description to help people search you are encouraged to put as many 'keywords' in as you can. So an opening sentence followed by a list of products may be a really good way of maximising the 65 word description. E.g. We can help make your party go with a bang! We offer: DJs; decorations; invitations; balloons; games; food and cakes.

Each One Counts

Each One Counts is a free fundraising scheme that helps charities and the environment. Supporters can recycle their printer cartridges and mobile phones by ordering freepost recycling bags and donating to a charity of their choice. Any registered charity can be added to the scheme which is run by Environmental Business Products who have raised over £4 million for charities to date.
