House to house collections

Created: 17 December 2007

How2fundraise.org recognises that the real experts are often volunteer fundraisers themselves. Please help us to make this site an excellent resource by sharing your knowledge with the millions of other volunteer fundraisers out there.

Help us to [write this guide](#), or if you prefer something simpler, why not create your own "[me & my fundraising](#)" page. For a quick way to leave some advice, post it on the forum (see the righthand column of this page).

For more information visit the Institute of Fundraising's Code of Best Practice for [house to house collections](#).
