How2fundraise.org recognises that the real experts are often volunteer fundraisers themselves. Please help us to make this site an excellent resource by sharing your knowledge with the millions of other volunteer fundraisers out there.

Help us to [write this guide](#), or if you prefer something simpler, why not create your own "[my fundraising](#)" page. For a quick way to leave some advice, post it on the forum (see the right-hand column of this page).

You'll find lots of great general advice in our [know-how](#) section, and also on the Institute of Fundraising's main site "[How to Sleep at Night](#)"
