

Legal & insurance

Created: 01 March 2008

[Avoiding scams](#)

Not everyone has the best of intentions, please read our guidance on steering clear of bogus causes and suppliers.

[Food & drink, law & best practice](#)

Combine common sense with a little background knowledge and make food a great fundraising tool

[Public events, law & best practice](#)

If you are involving the wider public you must take time to get it right

[Friends of and other membership organisations](#)

It is important to understand your legal status as a volunteer fundraiser

[Photography](#)

Know the law and best practice associated with taking photos.

[Data protection](#)

Simple steps will keep you compliant and ensure that people are happy to share their information with you.

[Insurance](#)

Event insurance doesn't have to cost the earth and prize insurance can help you generate lots of funds

[Risk assessments](#)

You should carry out a risk assesment for every activity - but don't over complicate the process!

[What is fundraising in-aid-of?](#)

Fundraising know-how

[Involving children](#)

Some simple guidance to keep it safe and happy
