

Help thousands of others enjoy success by sharing your fundraising secrets

Write your own how2guide

Created: 06 February 2008

Please help thousands of fundraisers enjoy success by writing your own how2guide, and tell them about a fundraising activity that you have enjoyed.

You'll find a template form below to help you get started. Once you have completed it, please email it to the [site manager](#), who will work with you to ensure it includes all the important aspects that our how2guides cover.

Please use the search function to check whether we already have a how2guide on the subject before you start. If we have, we would still be delighted to hear how we can make our how2guides event better, so please [contact us](#).
